

## Lester Community Center Rental Information

Members and non-members of the Lester Community Center can rent the building. To check for available dates visit the city's website [www.lesteriowa.com](http://www.lesteriowa.com) or Pam Hawf 712-470-4382 or 712-478-4657. 24 hour notice is requested when renting the building.

Rentals: If you rent the small room you will have access to the large room (gym) unless the large room (gym) has been rented by another party. If you rent only the small room, the members still have access to the gym. To ensure you have access to the small room and the gym (with no public interference) you must rent the entire building. The kitchen is available for all rentals and must be shared if two rentals are taking place at the same time (ex. one party rents the small room and one party rents the gym). At no time is the fitness center included in the rental (you and your guest must stay out of the fitness center). All renters will be provided with a renter's agreement that outlines the expectations. A cleaning deposit is required. If the expectations are met, the cleaning deposit check will be shredded. If the expectations are not met, the cleaning deposit will be used. No rooms are considered rented until two checks are received (one for the cleaning deposit and one for the rental amount).
